NEWS FROM THE PRINCIPAL
I would like to take this opportunity to thank the Yokine Primary Community for their contributions and ongoing support for our school. To the P & C for their hard work and commitment in supporting our school, to the School Board who greatly supports our direction by investing their expertise and time in collaboratively working with us to deliver and reach our Business Plan targets and to all the wonderful volunteers who give a little of your precious time to support school programs. Your support and input is highly valued as we continually develop a learning environment for your children that supports their needs.

A very big thank you to my staff. We have a very dedicated professional team of educators who collaboratively work together to ensure that we actively attend to the academic and social emotional needs of all students.

We would also like to say farewell to some families leaving YPS and wish them well and welcome the many new families to our community.

Ibu Abdullah is also leaving us and moving onto new and wonderful adventures working in remote schools. We warmly welcome Mrs Andrea Kurasho, who will be teaching Japanese, linking with Mount Lawley Senior High School’s language program.

Mrs Anthony will be taking 12 months leave to work and soak up country life with her family. We wish Ibu Abdullah and Mrs Anthony all the best on their new adventures.

Year 6 & 7 Graduation Dinner and Graduation
Yesterday we were privileged to present our Year 6 students with their graduation certificates at their final assembly and officially congratulate them as they move onto the next phase of their school life.

Last night the graduating students enjoyed a fantastic Graduation Dinner and I am sure they went home very happy yet exhausted from the nights events! They walked the red carpet super excited as their parents looked on with great pride, and with a little sadness, realising that their little babies were growing up … fast!

An enormous thank you to the parents who organised the night including the catering, photography, flower arrangements, graduation cake, photo booth, music and for decorating the hall; it was truly amazing. We are so very privileged to have parents who actively support the many events. We wish all our Graduating students a fond farewell.

REPORTS
All reports have been sent home. I encourage all parents and carers to discuss with your child the outcomes of their reports. If you have any issues or concerns please do not hesitate to discuss this with your child’s class teacher.

Learning Areas Grade Reports are available at the office for any parents wishing to view the distribution of the grades across the year levels.

Adventure Playground
We have been investigating developing the area between the library and the canteen and the area near the blue round seat and turning it into an adventure playground for K—6 students. We have had a few parents involved in the initial discussion as well as with the School Board. We are into the next phase of presenting ideas to parents. We are also looking at developing further the parent focus group as your input is highly valued. If you have any expertise in this area and would like to share or you are just interested in being part of this really exciting project please email me on Kim.Fraser@educaiton.wa.edu.au.

The Gifted and Talented Secondary Selective Entrance Programs applications close 8 February 2016. Applications are now open to all Year 5 students for entry in Year 7 2017. For further information go to the link below http://www.det.wa.edu.au/giftedandtalented.

The Salvation Army Hamper
The P&C again this year organised a collection of non-perishable foods, toys and books to donate to the Salvation Army in time for Christmas. We were overwhelmed by the generosity shown by the Yokine Primary School Community. So glad that some families far less off than us will have a nice day celebrating with some goodies. Thank you to Kate Hammer (Alex Millar Yr 5, Harriet Millar Yr 3) for coordinating this effort once again.

Message from the School Board
2015 has been an exciting time for everyone involved at YPS. There has been a lot of positive change and this is reflected by improvements both within and outside the classroom as well as the School’s new branding and easier to use website.

The School’s new vision of “Powering lifelong learning” is also in its first year and is based on the following three pillars:
- Link – YPS needs the support of parents and the wider community to achieve its potential;
- Educate – it is not just what we teach but the way we teach it that makes a difference; and
- Develop – we educate beyond the classroom to include lifelong learning skills based on our values of Respect, Responsibility and Resilience.

The Board is pleased as to the progress being made.

Final Board Meeting for 2015
December has been a busy month and we have had 2 final Board meetings for the year. As a result of those meetings, the Board has approved:-
- the 2016 School Budget;
- the appointment of a Japanese language teacher, which is consistent with the language being taught at High Schools to which YPS feeds into; and
- the construction of an exciting new Adventure Playground based on National Education standards. Construction will commence next year and you will be able to see the progress.

It was also time for a sad farewell with a number of Board members attending their final meeting – we would like to thank and recognise Sharon Cockcroft and Wendy Tatam for their many many years of service on the Board as well as Glen Hutchings who has finished his term. Each gave up their time to contribute and make YPS a better place.

Contributions and Charges
The Voluntary School Contributions and Charges makes a huge difference and benefits YPS directly. It only equals about 30 cents per day for each child. If you have not done so already, we encourage you to please pay your 2016 Voluntary Contributions and Charges.

Have a Great Break!
We would like to thank all students, staff and parents for their hard work and dedication throughout the year. It is a three-way partnership and working together we can achieve far more than acting alone.

We wish you all a Merry Christmas and Happy New Year. Congratulations to our Year 6 students on their graduation, who should be proud of their achievements. For everyone else we look forward to seeing you in 2016.

Regards
Brad Gannon
School Board Chairman

Qkr! is now at Yokine Primary School

The new Qkr (pronounced ‘quicker’) app is now live for families of students at Yokine Primary School. Qkr by MasterCard can be downloaded for free from Apple’s app store for iPhones (iPads should download the iPhone app) or from Google Play for Android phones and tablets.

After downloading the app and registering, simply select Yokine Primary School from ‘Nearby Locations’ on Qkr or type YOKPS after tapping the magnifying glass in the top right of the home screen of Qkr, and then the app will always recognise you as part of the school in future to make payments even easier.

You can pay your 2016 contributions and levies right now using Qkr, so why not download it today and take a look at our school on Qkr!

All feedback to the school office is very welcome.

INFORMATION REGARDING PLAYGROUND

Parents need to supervise their children in the playground after school. There was a potentially dangerous incident where a child fell from the monkey bars and landed on a crate underneath. The child’s face was badly injured.

Please ensure that no items or equipment are placed in the playground. It is preferred that students and parents leave the school grounds as soon as possible after the final siren.

Curriculum Manager

SCHOOL PHOTOS

Dear Parents

We have been advised by Kapture Photography that all sports and/or special team photos taken this year will be removed from their website at the end of this term in readiness for next year’s photography. This is your last chance to view and purchase these photographs. Please visit www.kapture.com.au and access the gallery using our school code – WYBL46

This code can also be used to purchase class or individual photographs for 2015 should you have missed out earlier in the year.

If an app is not a preferred option, we can now accept credit card payments online through BPoint – please paste the URL: https://www.bpoint.com.au/payments/yokineprimaryschool

WOODSIDE SCITECH SCIENCE AWARDS
Congratulations to Josie Simmonds-Lacey and Julius Yang in Year 6 for winning the science awards this year. Josie, Julius and families were invited to Scitech on Thursday, 3rd December to acknowledge their achievement during the year in science. They were welcomed on the red carpet and had photos taken along with the winning students from twelve primary schools. A light dinner and drinks were provided followed by guest speakers addressing the students. Dr Tristan Clemons, a scientist at UWA and hockey player with the Kookaburras spoke about his work and showed slides depicting highlights of his life, travels and sport. The evening concluded with a presentation in the Planetarium with a show on the night sky in Perth and Space Junk.

At the graduation ceremony on Tuesday, Gabrielle Migliore from Scitech presented Josie and Julius with their prizes.

**LOTE: Indonesian Dance Studio Incursion**

In Week 7, 26 November, Ibu Rose and Ibu Natasha visited our school to teach Year 5 and 6’s some Balinese dances. The incursion was funded by Indonesian and the school. Some students got to dress up in Balinese costumes. All classes were invited on the day to watch the dances and they were invited to join in with some parts. Some of the moves related to the *Kecak Dance* which Ibu Abdullah taught Room 10 Year 5/6 for *Harmony Day* Assembly earlier this year. Everyone enjoyed taking part in this cultural experience!

*Terima Kasih dan Selamat Hari-hari Liburan!*

**Update from our Sister School: Negeri Dua, Buwit**

Our Sister School Co-ordinator, Ni Wayan Sekarini, has been in touch to inform us that the new toilet doors which were funded by our *Red & White Day* in July, are now in place. Wayan has also sent copies of the invoices for the work done.

The Principal, teachers and all the school members are very happy with this renovation and they send their thanks to the Yokine Primary School staff, parents and students.

They are hoping “that through this relationship we can learn more about our different cultures and share our experiences in order to improve the children’s education.”

2016 Voluntary Contributions and Charges

The voluntary contributions made by parents and caregivers are essential to the School’s ability to deliver a transformative learning experience for your child. Your voluntary contributions will enable us to extend our capacity to add value to the learning experiences of our students. With the extra funds we are able to build on our literacy and numeracy programs, sports, arts and music programs and equipment.

Your contributions will also enable us to expand our range of digital technologies to support learning and prepare your child for a digital environment. We will also be able to make significant improvement to the early childhood play environment. The recommended contributions for 2016 are outlined below:

**Voluntary Contribution** $60 per child

Digital Technology Fund Donations $10, $20, $50 or other

Play Grounds Improvement Fund donations $10, $20, $50 or other

PLEASE MAKE YOUR CONTRIBUTION BY 27 FEBRUARY 2016

Voluntary Contributions and Charges: 2016

Dear Parents and Caregivers

The Education Act 1999 requires schools to notify parents of the schedule of Voluntary Contributions and Charges for 2016. The Yokine Primary School Board has endorsed the schedule of Contributions and Charges for 2016. The Schedule covers four sections and will allow you to calculate all costs for 2016.

1. Voluntary Contributions: (Section 99)

- The total amount of contributions parents and carers are being asked to pay has to be set in accordance with School Education Regulation 2000.

- Money collected will be used to supplement school expenditure in the purchase of resources needed in the provision of the learning program activities, examples are set out below:

  Kindergarten to Year 6

  Information and Communication Technology  Physical Education Equipment
  hardware and software                  Music Resources
  English resources                     Library Books
  Science resources and consumables     Art/Craft resources and consumables
  Mathematics resource

These contributions are voluntary; however, the quality of our teaching and learning program will be enhanced when every family makes a contribution to the cost of supplementing funding gained from other sources including the State and Federal Governments. The cost represents $15 a term or less than 50c per day.

2. Yokine Primary School Digital Technology Fund / Building and Grounds Improvement Fund

Yokine PS Digital Technology Fund:
This fund was established and sanctioned by the School Board in 2012 to allow parents and community members to make a donation to support the school in developing our digital technology program K – Year 7 to ensure our students are supported in developing their skills and 21st century learning. In 2013 and 2014, the school purchased 2 banks of Tablets used generally for the junior years and 1 bank of Laptops used in the middle to upper years. In 2015 we increased the amount of Laptops by 16 and tablets by 12 to increase the capacity of technology integration across the school. The total estimated cost was $30,000. The generous donation from the P & C in 2013 and 2014 has supported the purchase of some tablets and laptops.

Yokine PS Grounds Improvement Fund:
This was established and sanctioned by the School Board in 2014 to support the growing need of developing our grounds, and playgrounds and to bring us in line with current educational learning for the junior years (K-2) and within the Mandated National Quality Standards for Early childhood Education and Care. https://www.education.gov.au/national-quality-framework-early-childhood-education-and-care

The School Board has included the option for parents to make an additional voluntary contribution to these funds by paying $10, $20, $50 or any other amount. Donations can be made at any time during the year.

3. Extra Costs Associated with Optional Education Program: (Section 100)

A breakdown of estimated charges for your child’s participation in expected class and school activities for 2016 has been included. Details on charges collected in previous years have assisted us in preparing the 2016 Additional Fees & Charges Schedule.

Included in this schedule is a $100 – Kindergarten to Year 6 Payment for Excursion and Incursion Expenses. This is to cover a number of programs delivered throughout the year such as Class Excursion, Scitech day, and other whole school incursions. (This is extra to the $60 Contribution/child). This payment should be made as part of the booklist order or as a separate payment during the school year.

The Upfront Payment has been more efficient for parents, teachers and school accounting processes. This payment assists the school in the efficient processing of excursion payments.
