NEWS FROM THE PRINCIPAL

Welcome back to all our families and to all new students and parents.

I hope you were able to enjoy the festive season and school holiday break and are refreshed for another exciting year at YPS!

We have been working on further developing our curriculum to support the needs of our students and provide them with greater opportunity to develop their skills and knowledge in all areas of their learning and social emotional development.

I look forward to working again with the Yokine Primary School Board and P & C in further developing YPS on our journey to be the best!

School Board Nominations

An exciting opportunity exists to engage with our school community by becoming a member of the school board. The board is formed with the fundamental purpose of enabling parents and members of the community to engage in activities that are in the best interests of students and will enhance the education provided by the school.

We are seeking expressions of interest from people to fill three positions on the Yokine Primary School Board. Appointments extend for periods from 1 year up to two – three years and an appointed member may also be re-appointed after the conclusion of their term.

Please find below a brief overview of essentially what the board is committed to.

- The board meet usually once per term. However in terms 1 and 4 we sometimes need to have more than one to ratify policy and finances.
- Meetings are on Thursday at 6pm for 1.5 hours.
- Additional work required - only the reading of any documents that are sent out prior to our meetings.
- We actively encourage the School Board to attend special assemblies etc. if their work/home commitments allow.
- Being the voice of the school parent community.

The Board work closely with the P & C and are a very friendly group of people who work together to support the direction of YPS.

If you are interested in becoming a member of the Yokine Primary School Board, please contact me via the office or you can email, Kim.Fraser@education.wa.edu.au

I actively encourage parents to participate in opportunities like being part of the School Board or P & C, so that we are best able to support our students.

The School Board will have an open meeting on Thursday 11/02/16 at 6 pm in Room 8. All parents and community members are most welcome to attend and view the Board in action.

Voluntary Contributions
The voluntary contributions made by parents and caregivers are essential to the School’s ability to deliver a transformative learning experience for your child. Your voluntary contributions will enable us to extend our capacity to add value to the learning experiences of our students. With the extra funds we are able to build on our literacy and numeracy programs, sports, arts and music programs and equipment. Your contributions will also enable us to expand our range of digital technologies to support learning and prepare your child for a digital environment. We will also be able to make significant improvement to the early childhood play environment. Please see attached an overview of what your generous contributions support.

Please see the end of this newsletter for full information on our Voluntary Contributions.

Account Number Error—Gozone Debating Program
The form that went home for the Gozone Debating Program (Rooms 10 & 11) contained the incorrect bank account number for Bank Transfer Payment. The account details for Yokine School Fund is:
BSB: 066 127
A/C: 00900206
If you have already submitted a payment to the incorrect account please contact Michelle Vandenhelm.
Apologies for any inconvenience caused.

Class Parent Representatives
We greatly appreciate the time and effort that parents give to YPS. To ensure parents have opportunities to engage in the school in many ways we encourage parents from every class to nominate themselves to be the class rep for the year.

A Parent Representative’s function is essentially to support communication between your class, the class parents and our community.

The main function is to liaise with other parents on up and coming class and whole school events. Support in helping the teacher to disseminate information to ensure all parents are kept well-informed of all the things happening in their child’s class or school events. Some other areas the class rep may wish to support with, for example are: organising a few parents to help with large class projects where the class may require a few extra hands i.e.: cooking or art tasks or organising casual parent dinners/events or coffee afternoons to get to know each other.

Parent Code of Conduct
At Yokine Primary we pride ourselves on building positive partnerships with our school community to ensure that we develop a happy and safe school environment. As the Principal I have the primary responsibility for the day-to-day management and control of the school, including all persons on school premises, and providing for the safety and welfare of students and staff. As part of our community, parents have a responsibility to be courteous and respectful of others and sensitive to each and every individual at all times.

Attendance
At Yokine PS we are responsible for creating and maintaining a safe and positive learning environment which promotes engagement and participation of all our students. It is important that students from P—6 have regular attendance enabling them to participate at school to achieve social/emotional and academic learning outcomes. It is also important that students arrive on time at the beginning of the day as this is the time that sets the scene and prepares the students for the day ahead.

Managing Asthma—Spacer Use

Metered dose inhalers (MDI's) or ‘puffers’ are a very common type of medication used for the prevention and treatment of asthma symptoms, yet many people are unaware of the significant benefits of using a spacer with their ‘puffer’, or when administering medication to another person.

- Spacers are easier to use and require less coordination for medication to be delivered properly to the airways, compared to using a ‘puffer’ alone.
- Using a spacer ensures more medication reaches the airways rather than ending up in the stomach and mouth, and reduces the chance of developing associated side effects.
- Spacers are affordable and easy to use, clean and maintain.
- Spacers come in a range of shapes and sizes.
- Students who self-administer their asthma medication should be strongly encouraged to also use a spacer — kept with their medication at their school or preschool.

Anaphylaxis

We have a number of students who suffer from this condition. This is an allergy that causes the person’s immune system to react to substances in the environment that are harmless to most people however can be life threatening for others. The most common foods are peanuts, egg, cow’s milk, wheat and some seafood. We encourage parents to avoid supplying foods for lunches that contain these food products especially nuts.

Teachers ensure that students in their classes are consistently made aware of this and we have a ‘no sharing of food’ policy. Please access this link if you would like further information on this condition.

Qkr! is now at Yokine Primary School

The new Qkr (pronounced ‘quicker’) phone app is now live for families of students at Yokine PS. Qkr by MasterCard can be downloaded for free from Apple’s app store for iPhones (iPads should download the iPhone app) or from Google Play for Android phones and tablets.

After downloading the app and registering, simply select Yokine PS from ‘Nearby Locations’ on Qkr or type YOKPS after tapping the magnifying glass in the top right of the home screen of Qkr, and then the app will always recognise you as part of the school in future to make payments even easier.

You can pay for 2016 contributions and levies right now using Qkr, so why not download it today and take a look at our school on Qkr!

All feedback to the school office is very welcome. Keep a look out in future newsletters for ‘Qkr Tips of the Week’

Please see more information on this below

WATERWISE

YPS is a Waterwise School and we continually educate our students on how to save water. Here are some ways that you as a family can contribute to saving water:

😊 When brushing your teeth do not leave the tap running.
😊 Hand water your garden instead of using the sprinklers system.
😊 Wash your car on the lawn.
😊 Make sure your showers are a maximum of 4 minutes
😊 Make sure your dishwasher is full before turning it on

Water World Day is on March 22nd.

Proud to be a Waterwise School

2016 Sanitarium Weet-Bix Kids TRYathlon

This event is a non-competitive event and is a program that assists kids to develop self-esteem. Australia’s largest Kids TRYathlon series aims to encourage kids to get fit & active while having fun with their friends. The event is for kids aged between 7 – 15 years of age and it doesn't matter whether they have participated in the Weet-Bix Kids TRYathlon Series before or not. The Weet-Bix Kids TRYathlon is all about TRY-ing your best and having a go! The format for the day is that kids will first do the swim Leg, then the cycle leg and finally the run. When kids cross the finish line, an all-Australian sporting champion will be there to award them a medallion and they will also receive a certificate.

Date: Sunday, 10 April 2016 (Early Bird discount ends 14th February)

Coolbinia Bombers JFC – Registration Day

The Coolbinia Bombers JFC registration day will be held at Yokine Reserve, Coolbinia from 10am – 1pm on Sunday the 21st of February, The club provides programs for both Boys and Girls from Kindy upwards and has been recognised by the district as the Auskick - Centre of the Year. CBJFC is also the home of Starkick – an All Abilities Football program so everyone can play. Fun, friendship and fitness are the focus at Coolbinia so if you would like to join, or just want more info please refer to www.bombersjfc.asn.au or email info@bombersjfc.asn.au to have any queries answered.

Senior Sport

Friday sport for students in Years 4-6 commenced last Friday. They will play t-ball, softball, basketball/tennis and kanga cricket games and learn skills during the term. It is important students wear suitable clothing, have appropriate footwear, wear a hat and bring a water bottle to every sports session.

Sports Equipment at School

There is a variety of sports equipment for students to use each school day. They are able to borrow and return the equipment to the sports trolley and crate after they finish using it. It is pleasing to see many students being active and improving their skills and fitness. Alternate activities have been arranged at lunch time during the week with our high temperatures we are experiencing.

SCIENCE INCURSION

A science incursion has been planned for K – Year 6 classes on Wednesday, 2nd March. Scitech presenters will visit the school and present two shows to the K- Year 3 classes and one for the Year 4 – 6s. During the day, all classes will be involved in a hands-on workshop relating to the program presented at the show. The K – Year 3 classes will be involved in the Party Animals program while Year 4 – 6 students will complete Nature’s Ninjas program. An incursion form will be sent home to parents and carers.

Dear Parents

The YPS canteen is here to provide healthy lunches for your children. It is available for recess for year 1 to 6 and for lunch to the whole school. Please remember to fold lunch bags over, so the money doesn't fall out into the lunch box and to have your child's name and room number written on the lunch bag.

This year as well as offering the healthy chocolate muffin at recess there will be a second choice. This will change each term. This term it is Banana muffins. 50c for small and $1.50 for large.

We will also be serving Hot Cross Buns at recess. 50c for half and $1 for a whole one.

We will continue with the Specials every second Friday starting this Friday with Beef Burgers for $3.

I look forward to working with you to provide healthy lunch options for your children.

Thanks for your continued support.

Voluntary Contributions and Charges: 2016

Dear Parents and Caregivers

The Education Act 1999 requires schools to notify parents of the schedule of Voluntary Contributions and Charges for 2016. The Yokine Primary School Board has endorsed the schedule of Contributions and Charges for 2016. The Schedule covers four sections and will allow you to calculate all costs for 2016.

1. Voluntary Contributions: (Section 99)
   - The total amount of contributions parents and carers are being asked to pay has to be set in accordance with School Education Regulation 2000.
   - Money collected will be used to supplement school expenditure in the purchase of resources needed in the provision of the learning program activities, examples are set out below:

   Kindergarten to Year 6
<table>
<thead>
<tr>
<th>Information and Communication Technology</th>
<th>Physical Education Equipment</th>
</tr>
</thead>
<tbody>
<tr>
<td>hardware and software</td>
<td>Music Resources</td>
</tr>
<tr>
<td>English resources</td>
<td>Library Books</td>
</tr>
<tr>
<td>Science resources and consumables</td>
<td>Art/Craft resources and consumables</td>
</tr>
<tr>
<td>Mathematics resource</td>
<td></td>
</tr>
</tbody>
</table>

   These contributions are voluntary; however, the quality of our teaching and learning program will be enhanced when every family makes a contribution to the cost of supplementing funding gained from other sources including the State and Federal Governments. The cost represents $15 a term or less than 50c per day.

2. Yokine Primary School Digital Technology Fund / Building and Grounds Improvement Fund

Yokine PS Digital Technology Fund:
This fund was established and sanctioned by the School Board in 2012 to allow parents and community members to make a donation to support the school in developing our digital technology program K – Year 7 to ensure our students are supported in developing their skills and 21st century learning. In 2013 and 2014, the school purchased 2 banks of Tablets used generally for the junior years and 1 bank of Laptops used in the middle to upper years. In 2015 we increased the amount of Laptops by 16 and tablets by 12 to increase the capacity of technology integration across the school. The total estimated cost was $30,000. The generous donation from the P & C in 2013 and 2014 has supported the purchase of some tablets and laptops.

Yokine PS Grounds Improvement Fund:
This was established and sanctioned by the School Board in 2014 to support the growing need of developing our grounds, and playgrounds and to bring us in line with current educational learning for the junior years (K-2) and within the Mandated National Quality Standards for Early childhood Education and Care. http://www.education.gov.au/national-quality-framework-early-childhood-education-and-care

The School Board has included the option for parents to make an additional voluntary contribution to these funds by paying $10, $20, $50 or any other amount. Donations can be made at any time during the year.

3. Extra Costs Associated with Optional Education Program: (Section 100)

A breakdown of estimated charges for your child’s participation in expected class and school activities for 2016 has been included. Details on charges collected in previous years have assisted us in preparing the 2016 Additional Fees & Charges Schedule.

Included in this schedule is a $100 – Kindergarten to Year 6 Payment for Excursion and Incursion Expenses. This is to cover a number of programs delivered throughout the year such as Class Excursion, Scitech day, and other whole school incursions. (This is extra to the $60 Contribution/child). This payment should be made as part of the booklist order or as a separate payment during the school year.

The Upfront Payment has been more efficient for parents, teachers and school accounting processes. This payment assists the school in the efficient processing of excursion payments.
