**NEWS FROM THE PRINCIPAL**

We are off and running for Term 1. We had a very smooth start to the year with our numbers at Census time at 284. We are well into developing further our directions and look forward to working with the whole school community on these.

**Adventure Playground**

We have had positive feedback from parents regarding the proposed Adventure Playground and some amazing offers of assistance, which is fantastic. I encourage you to have a look at the plans. You can find these on our web page under **Community**. As this is a very large project we really require parent support. If you would like to help in any way, big or small or would like to comment on the design, please email me or pop in for a chat.

**Yokine Primary School Board**

We had two nominations for positions on the Board. We welcome and congratulate Nikki George who has a daughter Miley (Year 1), and Nick Chauhan who has a daughter Vaishavi (Year 4) and a son Arpan (Kindy).

We look forward to having them as part of our team working with us to deliver programs that support the great things we do at YPS and to be your voice, which we highly value and greatly respect.

**P & C Volunteer**

We are very fortunate to have a small, yet very dedicated and hard working group of parents who volunteer to help support the many extra programs we provide for your children. There is a great need for more parents to volunteer to ensure that the P & C can continue to effectively support the school and therefore your children. If you are able to come to some or all of the meetings (twice per term), offer to help with Uniform Shop, canteen, fundraising etc, this would help enormously, especially with the impending fete. You are all part of the YPS community and I encourage you to support it in any way possible.

**Road use in and around the school—Use of the designated crosswalk**

We are experiencing quite a number of parents who continue to flaunt the parking rules. This has severe consequences for our students' safety. We encourage all parents to support our message for safe parking and operations on school grounds by:

- Using the ‘Kiss and Drive’ correctly — drive to the end of the driveway, drop your child/ren off and drive off—this is not a designated parking area. Unaccompanied children enter the school through the gate at the end of the driveway.
- NO parking or sitting in your car in the ‘Kiss and Drive’ marked area at the front of the school.
- Parking only in designated parking areas at the front and back of the school.
- Families use the crosswalk on Woodrow Avenue, not crossing at the top of Woodrow Avenue which is extremely dangerous.

We encourage parents to use alternative options when collecting their children i.e.: walk to school, collect older students 10 minutes after the siren or allow older student to ride to school. Your support with this is much appreciated.

Class Parent Representatives
We greatly appreciate the time and effort that parents give to YPS. To ensure parents have opportunities to engage in the school in many ways we encourage parents from every class to nominate themselves to be the Class Parent Rep for the year.

A Parent Representative’s function is essentially to support communication between your class, the class parents and our community.

The main function is to liaise with other parents on up and coming class and whole school events. Support in helping the teacher to disseminate information to ensure all parents are kept well-informed of all the things happening in their child’s class or school events. Some other areas the Class Parent Rep may wish to support with, for example are: organising a few parents to help with large class projects where the class may require a few extra hands e.g. cooking or art tasks, or organising casual parent dinners/events or coffee afternoons to get to know each other.

Senior Sport

Friday sport for students in Years 4-6 commenced last Friday. They will play t-ball, softball, basketball/tennis and kanga cricket games and learn skills during the term. It is important students wear suitable clothing, have appropriate footwear, wear a hat and bring a water bottle to every sports session.

Sports Equipment at School

There is a variety of sports equipment for students to use each school day. They are able to borrow and return the equipment to the sports trolley and crate after they finish using it. It is pleasing to see many students being active and improving their skills and fitness. Alternate activities have been arranged at lunch time during the week with our high temperatures we are experiencing.

Snackalicious

Dear Parents

The YPS canteen is here to provide healthy lunches for your children. It is available for recess for year 1 to 6 and for lunch to the whole school. Please remember to fold lunch bags over, so the money doesn't fall out into the lunch box and to have your child's name and room number written on the lunch bag.

Recess items can be pre-ordered through the lunch boxes. The items ordered will be ready and waiting for your child to pick up at recess from the canteen. Wholemeal bread for sandwiches is always available upon request.

Our supplier of Spaghetti Bolognaise has improved the recipe and it is now called Twista Pasta Bolognaise. It is served with fusili pasta instead of spaghetti, this should make it easier for younger children to eat. It is not reflected on our menu this way as we were informed of the change after printing our menu.

This weeks Friday Special is Ham and Pineapple pizza for $3.

Thanks for your continued support.

Claire Donohue
Canteen Manager.

Voluntary Contributions and Charges: 2016

Dear Parents and Caregivers

The Education Act 1999 requires schools to notify parents of the schedule of Voluntary Contributions and Charges for 2016. The Yokine Primary School Board has endorsed the schedule of Contributions and Charges for 2016. The Schedule covers four sections and will allow you to calculate all costs for 2016.

1. **Voluntary Contributions: (Section 99)**
   - The total amount of contributions parents and carers are being asked to pay has to be set in accordance with School Education Regulation 2000.
   - Money collected will be used to supplement school expenditure in the purchase of resources needed in the provision of the learning program activities, examples are set out below:

   **Kindergarten to Year 6**
   - Information and Communication Technology
   - hardware and software
   - English resources
   - Science resources and consumables
   - Mathematics resource
   - Physical Education Equipment
   - Music Resources
   - Library Books
   - Art/Craft resources and consumables

   These contributions are voluntary; however, the quality of our teaching and learning program will be enhanced when every family makes a contribution to the cost of supplementing funding gained from other sources including the State and Federal Governments. The cost represents $15 a term or less than 50c per day.

2. **Yokine Primary School Digital Technology Fund /Building and Grounds Improvement Fund**

   **Yokine PS Digital Technology Fund:**
   This fund was established and sanctioned by the School Board in 2012 to allow parents and community members to make a donation to support the school in developing our digital technology program K – Year 7 to ensure our students are supported in developing their skills and 21st century learning. In 2013 and 2014, the school purchased 2 banks of Tablets used generally for the junior years and 1 bank of Laptops used in the middle to upper years. In 2015 we increased the amount of Laptops by 16 and tablets by 12 to increase the capacity of technology integration across the school. The total estimated cost was $30,000. The generous donation from the P & C in 2013 and 2014 has supported the purchase of some tablets and laptops.

   **Yokine PS Grounds Improvement Fund:**
   This was established and sanctioned by the School Board in 2014 to support the growing need of developing our grounds, and playgrounds and to bring us in line with current educational learning for the junior years (K-2) and within the Mandated National Quality Standards for Early childhood Education and Care.
   The School Board has included the option for parents to make an additional voluntary contribution to these funds by paying $10, $20, $50 or any other amount.
   Donations can be made at any time during the year.

3. Extra Costs Associated with Optional Education Program: (Section 100)

A breakdown of estimated charges for your child’s participation in expected class and school activities for 2016 has been included. Details on charges collected in previous years have assisted us in preparing the 2016 Additional Fees & Charges Schedule.

Included in this schedule is a $100 – Kindergarten to Year 6 Payment for Excursion and Incursion Expenses. This is to cover a number of programs delivered throughout the year such as Class Excursion, SCiTech day, and other whole school incursions. (This is extra to the $60 Contribution/child). This payment should be made as part of the booklist order or as a separate payment during the school year.

The Upfront Payment has been more efficient for parents, teachers and school accounting processes. This payment assists the school in the efficient processing of excursion payments.

Mount Lawley Toy Library

Did you know that there is a community resource where you have access to over 700 toys for only $75 a year? The Mount Lawley Toy Library is an excellent resource for parents and carers to provide a wide range of fun and educational toys without the expense of purchasing them outright. The Toy Library works in the same way a traditional ‘book’ library does, with members borrowing toys to play with in their own home.

With over 700 toys to choose from for children from birth to age six signing up to the Mount Lawley Toy Library makes sense.

Some of the benefits of joining the toy library include:

- Saving money on toys that children quickly outgrow
- Being able to choose different toys every three weeks
- Trying out toys before you buy (potentially saving you hundreds of dollars!)
- Not having to worry about toy storage
- Exposing your children to a variety of toys
