HOUSE CARNIVAL ARRANGEMENTS

The following arrangements will be in place on both days of the House Carnival, and are designed to ensure compliance with the current COVID-19 safety guidelines as advised by School Sport WA and the Department of Education.

1. If you or any family members are unwell, or have any flu-like symptoms, please do not attend.
2. Signage regarding physically distancing requirements will be in place and visible.
3. A registration desk will be placed at the carpark gate entry for families to complete – Name & Phone Number
4. There will be regular reminder announcements regarding physical distancing requirements and the practising of good hygiene.
5. Hand sanitiser will be available on the day, but families are encouraged to bring their own supplies for ease of access.
6. An area will be set up for spectators, and we ask that all families remain in this area. Please feel free to bring your own shade, chairs etc. The dais will be situated nearby so families can capture photos.
7. There will only be a short lunchtime break, and children will be asked to stay with their class teachers to eat. Planning to have lunch at around 12.30 p.m.
8. Lunches can be ordered through the Canteen via QKR. Children should have recess, and any additional snacks and drinks with them. We aren't planning to stop for a recess break – pack lots of healthy snacks.
9. The drink fountains will be available to refill water bottles, so please remember to bring yours.
10. Spectators over 65 years of age and immune compromised individuals are advised not to attend, though we appreciate that this is a personal decision.
11. Our cleaners will be onsite throughout the day to assist with maintaining good hygiene.

Thank you for your anticipated cooperation and support.
