

MEET THE TEACHER!

The Basics!

Hi! My name is Julia Pember. I am 29 years old. I will be your child's Year 5 teacher for the 2017 school year. This will be my 4th year teaching at Yokine Primary School and I am very excited to make this my best year yet!

Growing Up!

I grew up in Hamilton, New Zealand. I played a large variety of sports growing up including hockey, soccer, touch rugby, netball, athletics and swimming. After completing my final year of High School, I backpacked through South East Asia and Europe. After this I moved to Perth where I decided to study education. In December 2013, I graduated from Curtin University in Perth with a Bachelor of Primary Education with honours.

My Favourites!

Food: Hawaiian Pizza
Movie: The Other Guys
Book: Harry Potter
Colour: Purple/pink
Drink: Water
Season: Summer
Sport: Hockey
Singer: Taylor Swift
Subject: Sport and Maths
Store: Kmart
Flower: Lily
Teaching item: Anything colourful

Inside Room 10!

My teaching philosophy is centred around the belief that students need to feel safe and secure in their learning environment in order to learn to the best of their ability. I try to make all learning activities as fun and engaging as possible and I often find myself learning new and exciting things alongside the students. I am strict but I am fair. I incorporate technology into a large range of learning activities across a range of subject areas. Room 10 uses flexible seating involving a couch, beanbags, balls and a stand up table! I have very high expectations of all of my students and I expect the best behaviour and work ethic from them at all times. This semester, Room 10 has the amazing theme of HARRY POTTER!!! A large number of our literacy and art lessons will be based around this text! If you can't tell already – I am Harry Potter obsessed. Get ready for an amazing year!
