

Dress Code Pre Primary to Year 6

Rationale:

The Yokine Primary School community believes that the school uniform:

- Fosters a sense of community
- Enhances the public image of the school
- Should be worn in such a way as to demonstrate pride in the school itself.
- Encourages equity among students
- Ensures students are dressed safely and appropriately for school activities
- Should protect the children from ultraviolet radiation

The uniform may be refined from time to time after consultation between the Principal, School Board, P&C and the parent community.

DRESS CODE POLICY

- Only approved uniform items may be worn at school other than for advertised special occasions.
- Only children wearing school uniform may represent the school at sporting events and on excursions.
- Acceptance of enrolment in Yokine Primary School assumes acceptance of the Dress Code unless a modification of the Code is sought.

MODIFICATION TO THE DRESS CODE

Parents of children who may need consideration to modify the school uniform for religious, health, ethnic background or any other reasons should contact the Principal.

SANCTIONS

1. In circumstances where a child is breaching the school dress code, the issue will be discussed with their teacher or a member of the leadership team.
2. If a child continues not to wear the school uniform or consistently does not follow the dress code a letter will be sent to the parent of that child for further discussions on reaching an appropriate outcome in line with the Dress Code.
